PROFESSIONAL SUMMARY

I am a curious student currently pursuing a B.Voc in Data Science, with a strong interest in how data can be used to solve real-world problems. I enjoy learning new tools and techniques in data analysis, and I'm building my skills in Python, Excel, and data visualization. I'm a good listener and a team player who values collaboration and clear communication. With a strong academic background and a willingness to keep learning, I am looking forward to gaining practical experience and contributing meaningfully in the field of data science.

SKILLS

- Data Analysis & Visualization
- Programming Fundamentals
- Microsoft Office (Excel, Word, PowerPoint)
- Team Collaboration & Leadership
- Time Management & Adaptability
- Effective Communication

TECHNICAL PROFICIENCY

- Languages: Python (basic), SQL, HTML, R (basic)
- Tools: Tableau, SPSS, Excel
- Software/Frameworks: Django, Flutter, MongoDB, SAS (basic)
- Technologies: Big Data, Machine Learning, Artificial Intelligence

LANGUAGES KNOWN

- English
- Malayalam
- Hindi

EDUCATION

- B.Voc in Data Science St. Thomas College Autonomous, Thrissur 2023 – 2026 (Ongoing)
- Higher Secondary Education (Class XII) MNKM HSS, Chittilenchery Scored: 92% 2023
- Secondary Education (Class X) BSS Gurukulam HSS, Alathur Scored: 95% 2021

CERTIFICATES & SEMINARS

- Attended national seminars organized by the Department of Data Science, St. Thomas College Thrissur.
- Data analysis with python , Python 101 for data science , Introduction to cloud (provided by IBM)
- Participated in Two-Day National Conference on "Emerging Trends in Data Science and Cloud Computing" organized by Department of Data Science, St. Thomas College Thrissur.

INTERESTS

- Exploring datasets and generating insights.
- Problem-solving & beginner-level coding.
- Interest in Machine Learning & Artificial Intelligence.
- Following the latest trends in data science and tech.
